About us:

Groenewold Fur and Wool Co. (GFW) may be new to Canadian trappers, yet we have been around for almost a century.

Decades of buying wild fur at Canadian auctions indirectly from you, the producer in Canada, has inspired us to finally provide you the same service American producers enjoy. Our forte is promoting wild fur, with our primary focus on putting your skins in the hands of manufacturers around the globe. We do this with extensive sales teams in all major fur consuming markets. Our consistent skin sorting, on-hand inventory of dressed and raw fur, and availability to sell 365 days a year, establish us as the most successful marketer of wild fur in the world.

We are the largest buyer of wild fur in the United States and have now set sights on Canada. Before every auction's last receiving date, GFW will have multiple buying depots in several provinces for your convenience.

We will buy **ALL** wild fur species outright. **PAYMENT WILL BE ON THE SPOT** in Canadian dollars. **YOU NEVER HAVE TO WORRY IF YOUR FUR WILL BE SOLD OR NOT.** This means **NO WAIT TIME, NO SHIPPING COST, NO PICK-UP FEES, NO DRUMMING CHARGES, and NO COMMISSION FEES. KNOW WHAT YOUR FUR IS WORTH INSTANTLY.** Prices paid will be very competitive with the world fur markets.

We are... *Paying Top Dollar*
***For Finished Coyotes!* (and other fur)**
